

NOTICE OF INTENT TO CONSTRUCT

In order to comply with the requirements of Section 2 of Oklahoma Statute 58-803, copied as Section 160.21 of Oklahoma Statute Title 17, collectively referred herein as "OK Siting Law", which was approved by the legislature and signed by the Governor, and in advance of certain rules that are to be promulgated by the Oklahoma Corporation Commission ("Commission") pursuant to the passage of OK Siting Law, NextEra Energy Resources, LLC, ("the Company") hereby gives notice of the Company's intention to construct a wind energy project ("the Project") commonly located in Caddo County and Canadian County, Oklahoma.

The Project has been under active development for several years. The most recent FAA form 7460-1 filing was made on January 21, 2016. A summary of the FAA form 7460-1 filings for each wind before tower location within the Project boundary is attached as Exhibit A. Exhibit B to this letter presents a diagram showing the land estate analysis and included in statutory setback considerations as of the date of this letter. This letter is provided on publicly available data. Company states that the Project does not compete with existing facilities under the OK Siting Law.

In accordance with the OK Siting Law, the Company also certifies it is submitting a notice of intent to construct to the Caddo County and Canadian County Board of Commissioners in the form attached hereto as Exhibit C. No project feasibility is located within an incorporated area of a municipality, and thus no additional notice is required under OK Siting Law.

Please do not hesitate to contact us at 581-304-6161 with any questions regarding this filing.

Sincerely,
Krista Hendrie
Project Director, Business Development

NOTICE OF INTENT TO CONSTRUCT
 In order to comply with the requirements of Section 2 of Oklahoma Statute 2011-066, codified as Section 160.21 of Oklahoma Statutes Title 17, (collectively referred herein as "OK Siting Laws"), which were passed by the legislature and signed by the Governor, and in advance of certain rules that are to be promulgated by the Oklahoma Corporation Commission ("Commission") pursuant to the passage of OK Siting Laws, Nenfesa Energy Resources, LLC, (the "Company") hereby informs the Commission of its intent to construct the Minco Expansion wind energy project (the "Project") concurrently located in Custer County and Canadian County, Oklahoma.
 The Project will be under construction development for several years. The most recent FAA form 7460-1 filing was made on January 21, 2016. A copy of the FAA form 7460-1 filings for each wind turbine tower location within the Project boundary is attached as Exhibit A. Exhibit B to this letter presents a diagram showing the real estate analyzed and included in statutory setback compliance. As of the date of this notice, and based on publicly available data, Company asserts that the Project design complies with all setbacks required by the OK Siting Laws.

In accordance with the OK Siting Laws, the Company also certifies it is submitting a notice of intent to construct in the Custer County and Canadian County, Oklahoma Corporation Commission's attached to Exhibit C. No project facilities are located within one-half mile of a residential area at this time, and thus, no additional notice is required under OK Siting Laws.

Please do not hesitate to contact us at 581-304-6161 with any questions regarding this Siting.

Sincerely,

Krista Hendricks
 Project Director, Business Development
